Cllr Pomroy explained that under the terms of the contract it was not possible to have reduced green bin collections during the winter but that eventually kitchen waste would be able to be put into the green bins which was not possible at present. If the black bin collection reverted to weekly, Council Tax would increase by 4%. At present, the system was working well and the Council were above their recycling targets.

Parts of the site consisted of large areas of open space and woodland and the Councillors all thought it should be protected as there was lots of wildlife in the area. Outline planning permission had been granted and consultation had taken place in Patchway and the Area Forums. A promise had also been made by South Gloucestershire Council to protect the local Aerospace Industries in Patchway and Filton. Cllr Crane proposed that a recommendation be made that certain areas of the site should not be used for housing and that the woodland areas around the road and the original Hayes Farm should be preserved. This was seconded by Cllr Blandamour and the motion was unanimously passed.

It was open to everyone but would be particularly useful for Councillors and especially for Licensees.

*From Minute 657b) – Grass Verges* – The situation was ongoing and Cllr Sims had taken photographs which he would send to the appropriate South Gloucestershire Officer.

*From Minute 660c(ix) – Shield Road Governor* – This should be made an Agenda item at the next meeting.

*Action: Town Clerk*

**670. SUBMISSIONS FROM THE PUBLIC:**

- a) **Kerbstones at Charles Road** – It had been reported at an earlier meeting that flooding occurred frequently on the corner of Charles Road and Filton Avenue. The Chair reported that this problem was now being looked at by South Gloucestershire Council.
- b) **Conygre Road Shops** – Whilst the regeneration scheme in Filton Park was good for Filton, a member of the public enquired whether a similar scheme could be operated on the run down Conygre shops area. The Chair replied that nothing was planned for the foreseeable future but a planning application had been received for 818 Filton Avenue for new shop and flat above which may help to improve the appearance of the area. Thanks were passed on to Councillor Sims for his help in dealing with the problems of the grass verges.
- c) **Back Lanes** – These were the responsibility of homeowners but a member of the public wanted to know how they stop general members of the public gaining access and sometimes tipping rubbish in the lanes. The Chair explained that an Alleygate could be erected but it would have to be arranged, erected and paid for by all the householders and not the Council, although a grant may be available from the Community Safety Group.

**671. SUBMISSIONS FROM MEMBERS:** There were none.

**672. URGENT ITEMS FROM THE CHAIR:** The Chair presented a bouquet of flowers to the Clerk and congratulated her on behalf of the Council following her recent wedding.

*Arising from Minute 493 – Representatives on Outside Bodies* – She 7 had been notified that Cllr Crane was the Council's representative for this but it was noted that only Councillors R and D Hutchinson were invited to Twinning meetings. Cllr R Hutchinson would make further inquiries.

**Action: Cllr R Hutchinson**

*Arising from Minute 524 – Folk Centre Update* – It had been agreed between the Council and the Officers of the Community Association that 1<sup>st</sup> April 2005 would be the target date for the Council to take over the running of the Folk Centre. Talks were ongoing about the best way forward and the Clerk and the Operations Manager were due to meet with the Treasurer of the Community Association shortly.

- b) **Planning Committee:** Minutes of the meetings held 5<sup>th</sup> and 19<sup>th</sup> October were received.

*Arising from Minute 96 – Planning Applications* – F2083 – PT04/3351/F – 9 Blenheim Drive, Filton – Cllr Sims would check this out as it did not appear to be in keeping with neighbouring properties.

Councillor Sims also agreed to check out an extension on the corner of Conygre Grove and Filton Avenue as this had been extended to the front of the building and looked unsightly.

**Action: Cllr Sims**

- c) **Millennium Green** – Minutes of the meeting held 20<sup>th</sup> October were circulated. This had been a positive meeting with offers of help from various members of the public as well as Councillors. Officers from South Gloucestershire Council would now be approached for help as well.

**674. REPORTS FROM OTHER ORGANISATIONS:**

- a) **Filton Fresh Food Project** – Notes of a meeting held 20<sup>th</sup> October were circulated. This event was taking place in the Badminton Hall on Friday 29<sup>th</sup> October at from 3-7pm and would hopefully lead to a fresh food market or something similar being developed in the Filton Area for local producers to sell their products.

- d) **Four Towns Transport** – This had joined with Vale Link and had been renamed Four Towns and Vale Link Community Transport.

**675. SOUTH GLOUCESTERSHIRE COUNCILLORS REPORTS:**

Councillors R Hutchinson, Sims and Pomroy reported on various meetings they had attended.

- a) **Cllr Sims** reported on the proposed closure of Grace Ward in Thornbury. He also had attended the Communities Select Committee which had discussed the Draft for Local Community paying particular attention to Education and getting back to work. He had also attended Planning and Transport at which the bus routes in Filton were discussed.  
He also attended Development Control West where it was reported that the Planning Application for the new Rolls Royce building had gone through. Despite this, objections from residents whose homes backed on to the proposed new building were hoping to turn the site into a village green to protect it from development.
- b) **Cllr Pomroy** had attended the Planning meeting where plans for Rolls Royce and New Road Playing Fields had gone through. The number of houses approved had been reduced from 85 to 23. Also approved was the amended proposal to build 8 storey accommodation for students at the University of the West of England
- c) **Cllr R Hutchinson** – reported on the Cabinet, during which a discussion took place on the future of rural schools. A list had been circulated of Buildings and Structures in South Gloucestershire and the SHE 7 building was included. He had also attended the Sub-Regional Partnership and had a copy of a new publication 'Regional Spatial Strategy' if any one wanted to have a look.

**676. OTHER REPORTS:**

Minutes of a meeting of **FILTON TOWN COUNCIL** held on **Tuesday 30<sup>th</sup> November 2004** at 7.30pm in the Pavilion, Elm Park, Filton.

---

**PRESENT:** Cllrs R M Hutchinson (Chair), T W Pomroy (Vice-Chair), S J Sims, G A Crane, P Blandamour, D Hutchinson, A R Hewlett, B A Freeguard, J A Hutchinson.

**APOLOGIES:** Cllrs D Bell, P Lillis, S.J.MacCallum, A P Monk.

---

**678. EVACUATION PROCEDURE:** The Chair drew attention to the emergency evacuation procedure as set out in the Agenda.

**679. DECLARATIONS OF INTEREST:** There were none.

**680. MINUTES:** of the meeting held Tuesday 26<sup>th</sup> October were approved as an accurate record with an amendment to Minute 674b) – Public Transport Forum. The Bus Strategy Revue would be discussed more fully at the next Area Forum on 16<sup>th</sup> November 2004. The next Public Transport Forum was on 14<sup>th</sup> February 2005.

**681. MATTERS ARISING:**

*From Minute 673b) – Planning Committee – Application F2083 – 9 Blenheim Drive.*  
Cllr Sims reported that the application had been made to tie in with all the other houses in the rank and make them all the same, including the garages.

**682. SUBMISSIONS FROM THE PUBLIC:**

- a) **Bus Shelters** – There were concerns about the general state of bus shelters in Filton, but Ventnor Road in particular. The Clerk explained that this was an ongoing problem as the cleaning contractors could only use strong chemicals to remove graffiti and this caused the polycarbonate to turn cloudy. One solution that the Council was looking at was to replace all panels with glass.
- b) **Student Accommodation in Filton** – Concerns were made about the number of planning applications being submitted for multiple occupancy residences which may be let out to students who do not pay Council Tax, forcing the cost up for those that do pay. The Chair replied that each application is looked at individually and the Council cannot stop landlords renting their properties to Students. More building of Student accommodation on the University site may mean fewer students will be resident in the area when the building work was completed.
- c) **Conygre Road shops area** – The question was asked whether a regeneration scheme could be implemented in the Conygre Road area like the one in Filton Park. The Chair explained the Filton Park scheme was part of a major road improvement scheme, but that since a change in policy had taken place at South Gloucestershire Council, schemes could be considered that were tied to road maintenance schemes such as one for Filton Avenue. The recent Planning Application for 818 Filton Avenue had not been for replacement shop front with a flat above but was for a house to be attached to 818 Filton Avenue and would probably be turned down.
- d) **Filton Roundabout** – Concerns were raised about the volumes of traffic created during the work on the roundabout. The Council had no control over this but things would hopefully settle down when all the work was finished and the traffic lights were fully operational.

- e) **Bicycle Lanes** – Signs to identify the cycle lanes were needed as the paint was wearing thin. The Chair would check the maintenance programme and also said this item would be on the Transport Forum Agenda.  
*Action: Cllr R Hutchinson*
- f) **Litter** – Concerns were raised about the amount of litter in the area despite more litter pickers being used. Cllr R Hutchinson would have a word with the Principal at Filton College to see if he could erect signs around the College to encourage people to put their rubbish in the bins.  
*Action: Cllr R Hutchinson*
- g) **Traffic Problems** – Problems of increased traffic in the Monks Park and Northville Road areas had been partly caused by Bristol City Council implementing new road schemes on the borders with South Gloucestershire. The Chair explained that despite consultation with both sides the Council had no influence over what Bristol City Council did. Speed humps due to be installed in Braemar Avenue may have an effect on the volume of traffic and also the completion of the roundabout scheme.
- h) **Combination Ground** – a request was made for proper landscaping around the area when it was developed. Cllr Sims would make recommendations at the Development Control West Committee. The hedges planted around the ATC Squadron in Pine Grove had grown well and were effective against vandalism as they were very prickly.  
*Action: Cllr Sims*
- i) **Post Codes** – A resident asked whether the Council could get all Filton areas in the BS34 post code instead of BS7 which meant higher insurance premiums. The Clerk explained that they had approached the Post Office and Postwatch on several occasions and had been told it was not possible.

### 683. SUBMISSIONS FROM MEMBERS:

- a) **War Memorial** – A discussion took place on whether the Council should send a wreath to the Remembrance Day service which takes place in Filton. The Chair said that he had never been invited to a Remembrance Day event in Filton, but members explained that this was not an official Royal British Legion Service, but one that took place at St Peters Church on Remembrance Day. It was also discussed whether the Sports and Leisure Centre should observe a minutes silence on Remembrance Sunday as this was usual for other South Gloucestershire Leisure Centres.  
**Agreed:** to make this an Agenda item for the next Finance Committee and look at getting a policy together by next November to mark Remembrance Day in Filton.  
**Action: Town Clerk**
- b) **Damaged Fence in Monks Park Playing Field** – Cllr Pomroy reported that a hole in the fence in the playing field at Monks Park school was causing problems to residents whose houses backed on to the field. Pupils were sheltering there whilst playing truant and despite attempts to get Bristol City Council to fix it, nothing had been done.  
**Agreed:** that the Council write a letter to Bristol City Council to ask them to fix the fence before something serious occurs. Cllr R Hutchinson would also bring it up at the next meeting of the Community Safety Group.  
**Action: Cllr R Hutchinson**
- c) **Allotments** – Bristol City Council had sent a letter to allotment holders at the site behind Avonsmere caravan park about the ownership of the allotments. The Clerk

confirmed she had also had a letter about this asking if the Council wanted to take over ownership.

**Agreed:** to make this an Agenda item at the next meeting of the Finance Committee.

**Action: Town Clerk**

- d) **Damaged sign** – A Filton Avenue name sign just past its junction with the Link Road had been damaged by a vehicle and could cause a danger to the public. Cllr R Hutchinson would report this.

**Action: Cllr R Hutchinson**

**684. URGENT ITEMS FROM THE CHAIR:** There were none.

**685. REPORTS FROM COMMITTEES:**

- a) **Finance & General Purposes** – Minutes of the meeting held 9<sup>th</sup> November were received.

*Arising from I – Filton Roundabout* – All Councillors were invited to the launch of the Spirit of Flight due to take place at 6.30pm at Filton Library. Spouses were also invited. Cllrs R, J & D Hutchinson, Sims, Pomroy, Freeguard, Crane and Hewlett expressed an interest in attending along with the Clerk.

*Arising from J – Bus Shelters* – This would be an Agenda item on the next Finance Committee when the quotes to put glass in the shelters would be discussed.

**Action: Town Clerk**

**686. REPORTS FROM OTHER ORGANISATIONS:**

- a) **Filton Festival of Food** – This event had been very successful and it was hoped that another one would be held in the spring. The results of the survey in connection with the Festival would be circulated in due course.

b) **Local Agenda 21** – Notes of the meeting held 27<sup>th</sup> October 2004 had been circulated.

c) **Splatts Abbey Wood** – Cllr Freeguard gave a verbal report on the meeting he had attended on 27<sup>th</sup> October. The group were looking for volunteers for a coppicing day to be held on 5<sup>th</sup> February 2005. Supervisors would be available on a one to one basis so it was advisable to book a place early.

**687. SOUTH GLOUCESTERSHIRE REPORTS:** Councillors Sims, Pomroy and R Hutchinson reported on meetings they had attended.

a) **Cllr Sims** had attended the Development Control West Planning meeting. Affordable housing in the area was discussed and Cllr Sims pointed out a good example of a low cost housing development was the Linden Homes site in Horfield. He had also attended meetings on Planning, Transport and Environment and Forest of Avon where it was reported that the money provided from the Countryside Agency had been reduced.

b) **Cllr Pomroy** had attended the Licensing Committee meeting. They had recently held a series of seminars throughout the area to consult people about the proposed changes to the Law due to come into effect in 2005. The Policy would go before a special meeting on 5<sup>th</sup> January 2005.

At the Health Select Sub-Committee the proposed changes to the NHS hospital provision in the area was discussed but nothing had been agreed yet.

c) **Cllr R Hutchinson** reported on the recent Cabinet meeting where they received a presentation from the North Bristol Trust. This will be discussed again at the next Cabinet meeting on 6<sup>th</sup> December.

He also reported on the Electoral/Boundary Review. A working group had produced a report detailing some major changes but which did not affect Filton.

The report had been passed on to the Boundary Committee for any comments.

He also gave brief verbal reports on the Housing Review and Southern Brooks presentation on the bus review,

which included confirmation that in spite of reports in the local press the 571 bus would be running half hourly in future, but that it would run as a commercial service supplied by South Gloucestershire Bus Company. It was also confirmed that rubbish collection over the Christmas period was not as had been previously reported. The usual system would apply but on the first black bin collection after Christmas the collectors would take side waste in black bags.

**688. CAGE OUTSIDE CELLAR:** A quotation to erect a cage outside the door to the cellar had been received and was of a slightly more pleasant design than the previous quotation received. Because there was no Finance Committee in December a decision needed to be made before the January meeting to try to save time.

**Agreed:** the Chair and Clerk to the Council liaise and make a decision.

**Action:** Cllr R Hutchinson/Town Clerk
